Assisted Living

From a simple piece of pie to lasting peace of mind

Taste for yourself what sets Sanders apart

Spend an afternoon with Sanders enjoying dessert and coffee, and learn how the decision to move here can be as simple as a slice of pie and cup of joe.

Sanders Assisted Living combines the renowned expert care of Riverside Health System with the small-town charm of Gloucester. You or your loved ones will experience all the bells and whistles without any of the upkeep.

If you have questions or simply want to know what your options are, join us for a free informational coffee-and-pie meeting on

Tuesday, August 31 at 2:00 PM

Chat with the folks who care about your loved ones almost as much as you do, and hear an educational presentation on **Options for Aging Parents**.

We promise to keep the coffee hot.

RSVP by August 27 to (804) 693-0199.
